

## REMARKS

Applicants respectfully submit this amendment in response to the Notice of Drawing Inconsistency with Specification dated April 26, 2005. This amendment complies with M.P.E.P. § 714.16 because this amendment embodies merely the correction of formal matters without changing the scope of the claims.

Consequently, Applicants believe that the application is still in condition for allowance, and respectfully request that the amendments to the specification be entered pursuant to M.P.E.P. § 714.16(d), subsection III. If for any reason the Examiner finds the application other than in condition for allowance, the Examiner is requested to call the undersigned attorney at the Los Angeles telephone number (213) 488-7100 to discuss the steps necessary for placing the application in condition for allowance should the Examiner believe that such a telephone conference would advance prosecution of the application.

The Commissioner is hereby authorized to charge any necessary fees associated with this amendment to the Deposit Account No. 16-1805. A copy of the Notice of Drawing

✓ Inconsistency with Specification is attached hereto.

Respectfully submitted,
